

OUR COLLEGE-GOING CULTURE

The weighted GPA is used by Judge Memorial for awards only. The cumulative GPA is based on all grades received in ninth through twelfth grades. A distinction is made in assigning grade points for AP and Honors-level courses. An AP course receives an extra point added to the GPA; an Honors course receives an extra half credit point. **We do not rank.**

Class of 2022 Weighted GPA Range

4.65 ←————→ 1.58

OUR BULLDOG BRAG SHEET

Clubs focused on diversity and respect: BSU, ALLIES, LatinX, Women's Empowerment

NATIONAL MERIT SCHOLARS

Judge Memorial has **2** National Merit Finalists

STANDARDIZED TESTING

Due to COVID-19 closures we were unable to offer our ACT School Day administration in March 2020. Since then, few students have been able to take a college entrance exam due to test center closures. If insight or context is needed for a student's test score, please reach out us.

Recognizing the value of a liberal arts education, Judge aspires to the breadth of learning from the sciences and humanities to the performing and fine arts, and physical education. These curricular offerings exceed national and state standards and prepare students for the academic rigor of a college experience.

At Judge Memorial we believe in **Cura Personalis**, or care for the whole person. That philosophy is at the core of our school. As a school we practice mindfulness together each morning; the benefits of mindfulness and caring for the whole person are echoed in our yoga and health classes, our retreats, our Student Services, and beyond.
